PRESENTATION

The Jurassic Feeder Festival 2019 will be held on the 30/31 May and the 1 June 2019 at Istres L'étang de l'Olivier

Istres is a town situated in the South of France in the departement of the Bouches du Rhone

The Etang de l'Olivier is very near to the town center, with a surface of 220ha and a depth of 5 to 10 metres .

The lakes ecosystem is composed of reed beds and cliffs where many different species of birds and fish live.

This brackish water lake holds huge stocks of Beam, Mulet, Eels, Roach, Crucians, Perch and Zander.

GENERAL INFORMATION

Registration is now open.

Huge nets of fish were caught this year during matches which will hopefully be a good omen for next year's festival

Bream are the dominant species with a few big Crucian Carp and Mullet as bonus fish.

The registration fee is 350€

This includes the prize giving dinner on Saturday evening and daily picnics. For the non-fishing travelling partners, daily picnics and prize giving dinner will be available for the price of 50€ prior booking needed.

No money will be taken on the day and your registration will be validated either by a cheque in Euros or a bank transfer.

20 pegs will be reserved for foreign anglers but they will be redistributed 50 days before the festival if the quota is not filled.

You can contact us for any queries or questions:

joebar697@hotmail.com ou contact@energy-peinture.com

RUNNING OF THE EVENT

The match length will be divided into 3 zones of 20 Pegs

Each zone will be divided into 4 mini sectors of 5 pegs

Details of the Zones and the pegs will be given later on the facebook page. There will be daily prize giving on Thursday and Friday at the fishing lodge and in the Regalido on Saturday evening.

The draw on the first day will determine your rotation as every angler will fish each zone and stay with the same group of anglers.

Each day the anglers will draw their pegs in a new zone.

Day 1:

Each winner of a 5 peg mini Sector will win 50€

Each winner of a 20 peg Zone will win 200€

Each zone winner will give his mini sector envelope to the runner up .

Day 2: Idem

Day 3: Idem

SITE RULES

You can drive to most of the pegs however in some zones it will be necessary after unloading to drive your car to a nearby parking. Trolleys will also be necessary for 1 zone

There can be a large public present on the shores of the lake so you must listen to the recommendations given at the draw.

The site is exceptional not only for its beauty but also for the amount of fish present, all pegs must be left litter free and we recommend a bucket of water to rinse the rocks.

For personal security we recommend proper shoes and the necessary material to install your material on a rocky shore.

The organizers decline all responsibility for damage to material or theft

French Fishing Permit Needed
(All foreign anglers will be given details after pre inscription)
